UNI-PAK : THE COMPANY OWNERSHIP

Uni-Pak Limited is a New Zealand owned & operated company established in 2003 based in the central heartland of the North Island town of Wanganui. The business is owned by Julian & Deirdre Anderson with immediate family members involved in the management of this dynamic company.

UNI-PAK : OUR CORE VALUES

Our mission statement is:

The Uni-Pak Limited logo represents care, thoughtfulness and attention to detail.

We strive to provide our existing future clientele a range of premium solution-based disposable that fulfill their requirements at the right price.

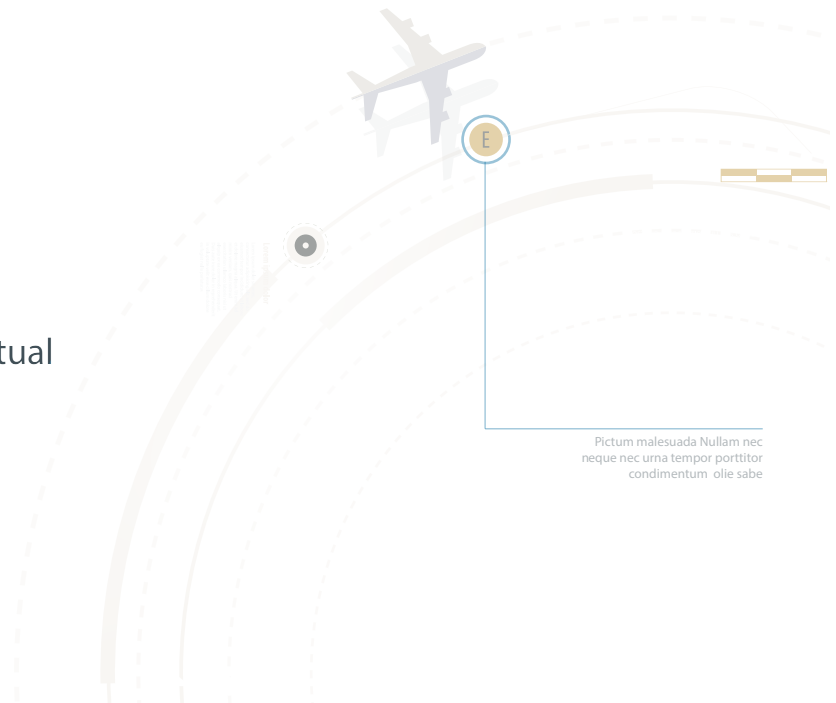

The representation and availability of our staff will be friendly knowledgeable and professional so we can help, inspire and problem-solve.

Together, we aim to provide an economic framework that allows both of us to prosper mutually.

Our vision statement is:

We want to be known for reliability, flexibility, responsiveness, innovation products and services, and exemplary citizenship.

We will make this happen in an environment of trust, co-operation and mutual respect.
